

# RACE READ

## Challenge

Use this printable map packet to track your individual team's progress, and the collective progress we make as a group. Print out the map and cars, there are two colors included, to track as the weeks go on. One color can be used to track your team, heading east and west, the other can be used to track the challenge's progress, both ways. BH Reads will use the red car, but either car works! There are two sizes, one on this page and smaller ones following, to accommodate both maps.

At the end of the challenge, we would love to see your completed maps! Share them on our Facebook page when you see the post on March 2<sup>nd</sup> or email them to [bhreads@unitedwayblackhills.org](mailto:bhreads@unitedwayblackhills.org) by March 2<sup>nd</sup>! Happy Reading!
